Chris McMullen, Carolyn Kivett : Positive Word Scrambles (A Fun Way to Think Happy Words) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Positive Word Scrambles (A Fun Way to Think Happy Words):

This unique word scramble puzzle book provides a fun way to try to be and stay positive. Each puzzle consists of a group of related positive words or phrases, like wonderful, on cloud nine, celebration, and way to go. All of the positive words or phrases from the same puzzle are related in some way. For example, they might all be fun places, ways to relax, compliments, or celebratory phrases. Knowing that the words in each puzzle are related may help you unscramble any words or phrases that you don't see right away. A hints section at the back of the book provides the first letter of each answer, which is handy if you just need a little help; a separate section provides the answers so that

you can check your solutions. The puzzle pages are decorated positive images.
