**Christopher Butler : Postmodernism: A Very Short Introduction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Postmodernism: A Very Short Introduction:

0 of 0 people found the following review helpful. Five StarsBy Anthony StarkExcellent introduction to the subject... frankly, the intro is FAR better than the entire fraudulent, pseudo-intellectual subject deserves.0 of 0 people found the following review helpful. Real handbook to treasureBy Heart-wise SeekerWonderful "handbook" on this period.

Astounding that the author could condense so much information. Cecilia0 of 0 people found the following review helpful. great introduction to an interesting topic By iglooi found this very well written, clear, and thankfully a bit more challenging than some other titles in this series. great introduction to an interesting topic.

Postmodernism has become the buzzword of contemporary society over the last decade. But how can it be defined? In this highly readable introduction the mysteries of this most elusive of concepts are unraveled, casting a critical light upon the way we live now, from the politicizing of museum culture to the cult of the politically correct. The key postmodernist ideas are explored and challenged, as they figure in the theory, philosophy, politics, ethics and artwork of the period, and it is shown how they have interacted within a postmodernist culture. About the Series: Combining authority with wit, accessibility, and style, Very Short Introductions offer an introduction to some of life's most interesting topics. Written by experts for the newcomer, they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics, from philosophy to Freud, quantum theory to Islam.

"A pre-eminently sane, lucid, and concise statement about the central issues, the key examples, and the notorious derilections of postmodernism. I feel a fresh wind blowing away the miasma coiling around the topic."--Ihab Hassan, University of Wisconsin, Milwaukee "The most intellectually incisive, coherent and comprehensive meditation upon the history and significance of postmodernism that I have yet encountered."--Patricia Waugh, University of Durham "Easily the best introduction to postmodernism currently available."--Hans Bertens, Utrecht University About the Author Christopher Butler is Professor of English Literature at Oxford University, and is the author of many books, including *Early Modernism* (OUP, 1994).
