If you love Chic Bowdrie, you will love hearing about United States Marshall Britt MacMasters as he brings law and order to the Wyoming Territory with lightning fast colts and a whole lot of action. I love the Powder River series...By CustomerI love the Powder River series... it is like a modern Six Shooter series, only it lasts more than a season and has long term plots and characters coming and going. The theater of the mind cannot be beat (as much as I like old movies as well).0 of 0 people found the following review helpful. The McMaster Family does it again!!By MicheleI have been a Colonial Radio Theater fan for many years. The Powder River series is the best. Great music and sound effects. The story line is very interesting and it is like visiting old friends. Powder River Season 5 is fun, fun, fun!

Five years have gone by since the devastation of the buffalo stampede hit Clearmont, and the three part season opener titled The Twisted Badge puts Marshal Britt MacMasters in the most dangerous place he has ever been the other side of the Law. In Those We Leave Behind, Britt finds 15 year old Matt Andersen alone on the prairie - the son of an outlaw recently killed in a shoot out. Meanwhile, Jud Corey, whose brother was killed by the outlaw years before, wants his revenge on the boy, and in The Gunfighter, Chad encounters his first crisis as deputy when a mob wants to lynch a reformed gunfighter who has stopped in Clearmont on the way to his daughters wedding. These and many other exciting adventures from the entire fifth season are presented in this Special Collector's Edition! Episodes include: The Twisted Badge, Part 1/ The Twisted Badge, Part 2 / The Twisted Badge, Part 3/ Rawhoof/ Those We Leave Behind, Part 1/ Those We leave Behind, Part 2/ Into Their Own Hands, Part 1/ Into Their Own Hands, Part 2/ Dry Goods And Hardware/ The Rival/ The Tip of the Hand and the Tell of the Eye/ Why Dawes Is A Bachelor/ The Gunman/ Happily Ever After/ Clearmont
