Huge Improvement To My Blackjack PerformanceBy Bennett3580For anyone serious about taking their skill and love for blackjack to the next level, this is an absolute must have for your collection. This Blackjack textbook/college style course takes you deep into the intricate and advanced tactics that author Ron DiBenedetto has been working on through decades of play. The author explains advanced theories in a very simple and easy to implement manner. The investment is well worth it, as I made back what I spent on the book in one playing session.
