By MusicGirl! This is an excellent edition of Debussy's Preludes. I love that the print is extremely clear and easy to read. The binding made it difficult for the book to stay open at first. I will only buy these new Durand editions of Debussy.

(Piano). This is the ultimate source for these beloved piano preludes by Debussy, in a newly engraved and researched

critical edition from Durand, the original publisher of this music. This is the paperback edition based on the hardbound Complete Works of Claude Debussy . Includes a foreword in French and English. Printed on quality, ivory-colored stock, the book has a sewn binding for life-long use.
