recommend the Alfred Piano Course and have used it as the primary teaching tool in my teaching. I appreciate the attention the books give to chord theory, the pieces are interesting and exciting from the beginner level on and the Value Packs offered save money for the students. As always, the delivery of the ordered product is satisfactory. 0 of 0 people found the following review helpful. Great complement to the remainder of the set. By Mom by Love This product goes along with the other Premier Piano Course products. It works great to help to reinforce the lesson book. 0 of 0 people found the following review helpful. Five Stars By soprano Very well done.

Students are finding the Theory Books in Premier Piano Course not only fun to do but very helpful in reinforcing new materials introduced in the Lesson Book. The Learning Links included in the Theory Book relate to learning more about important subjects found in the music and lyrics in the Lesson Book making for a more rounded education. Continued from previous Theory Books are Fun Zones, Now Hear This (ear training), and Now Play This (sight reading exercises) which add additional reinforcement to written theory.
