Christmas Book for Primer Level Students By tinkerbell0023 This is a great book for students who are past Unit 5 in the Primer level of Piano Adventures. Students should know a lot of these songs, with the exception of one or two (Good King Wenceslas, I Saw Three Ships, We Three Kings). This book is also great review for any concepts that they are currently learning in the main series, i.e., looking for skips within the song (Unit 7). Great to use for Christmas recitals! Songs include: Away in a Manger, Good King Wenceslas, I Saw Three Ships, Jingle Bells, Jolly Old Saint Nicholas, Over the River and Through the Woods, Silent Night, Up on the Housetop, We Three Kings of Orient Are. 1 of 1 people found the following review helpful. Well Written and Laid Out By hollydlteacher My daughter started piano and this is what we are using to learn Christmas music for a program. The book is very nice in size (rectangle in size). It contains everything that my kids needs as a beginner. We started at the beginning. The book is well made and written. The layout is great! I am excited to use this weekly at her lesson. 0 of 0 people found the following review helpful. Good entry level book By greenmamaas described
