**From Hal Leonard : Primer Level - Christmas Book: Piano Adventures (Piano Adventures: the Basic Piano Method)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Primer Level - Christmas Book: Piano Adventures (Piano Adventures: the Basic Piano Method):

3 of 3 people found the following review helpful. A Fun Christmas book for Beginners By Michelle M Burchett This is a great Christmas book for the young beginner student. I gave it as a Christmas present to one of my younger students. He loved it and has enjoyed learning the Christmas songs. I gave it to him so that he could learn one song a week leading up to Christmas. It is also a great companion book to the Primer Level Piano Adventures books. 4 of 4 people found the following review helpful. They have only had a few months of lessons using the Primer Level books and they are already able to play some of the songs which By Pirouette Cacahuete Just started teaching beginner piano lessons and the kids are so excited to learn Christmas carols. They have only had a few months of lessons using the Primer Level books and they are already able to play some of the songs which makes them very happy. 0 of 0 people found the following review helpful. Good transcriptions-but has unknown pieces By kazari Kanemitsu I bought this for a few of my very young students and I like that all the pieces aren't necessarily any harder than the other, they're all at the same level (so it's not like the first piece is the easiest, and the last is the hardest). However, I noticed that especially in this level Christmas book, there are quite a lot of songs that I didn't recognize, and the kids didn't either which was a little off putting since in a Christmas book, everyone wants to just play all the stereotypical pieces, especially the young one. That is my only complaint, everything else is great, and it's not too long so you could just work on X-mas repertoire for the month of December and be done with it.

(Faber Piano Adventures ). Contents include: Stuffing the Stockings (step and skip review) \* Jolly Old Saint Nicholas \* Good King Wenceslas \* Jingle Bells \* Away in a Manger \* Go Tell It on the Mountain \* We Wish You a Merry Christmas.
