WalkerI had the game for a while and played it a few times trying to change my fate. The guide assisted in being able to find the stuff I could not find and finish the game successfully.0 of 3 people found the following review helpful. prince of glitchesBy Vincent Hodgesthe book is for all formats of the game ps2, xbox, pc, etc.. I bought the book becuase I got stuck and thought I missed some upgrades after resating the game again realized that this prince is nowhere as good as "sands of time" and "warrior within" it is a software glitch sometimes I was being attacked by swords with no villians or the game would lock up the Prima guides are not as good as the Bradygame books
