XL Score 12x18 inches for Prokofiev: Violin Concerto in G minor No.2 Op.63. Highly recommended for professional conductors.The concerto is more conventional than the composer's early bold compositions. It starts off with a simple violin melody related to traditional Russian folk music. The graceful violin melody flows throughout the entire second movement, ends with the initial violin theme reappears in solo cello, accompanied by solo violin. The third movement rondo's theme has a taste of Spain, with the clacking of castanets each time the theme appears.
