**From Music Minus One : Puccini Arias for Tenor and Orchestra - Vol. II** before purchasing it in order to gage whether or not it would be worth my time, and all praised Puccini Arias for Tenor and Orchestra - Vol. II:

(Music Minus One). Performed by Boiko Zvetanov, tenor Accompaniment: Orchestra of the Sofia National Opera Conductor: Nayden Todorov Here's a second volume of great tenor selections from Puccini operas. Includes many beautiful works from Manon Lescaut, Madama Butterfly, La Fanciulla del West, La Rondine and Gianni Schicci . And you have the Sofia National Opera waiting to perform them with you, under the careful guidance of Maestro Nayden Todorov. Bravo! Includes an expansive, newly engraved 36-page vocal score, printed on high-quality ivory paper; and a CD+G graphics-enabled compact disc with complete versions (with soloist) in digital stereo, followed by digital stereo orchestral accompaniments to each piece, minus the soloist.
