**From Music Minus One : Puccini - Arias for Tenor and Orchestra Volume 1** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Puccini - Arias for Tenor and Orchestra Volume 1:

0 of 1 people found the following review helpful. PucciniBy LouGreat if you want to learn to sing these arias. I also recommend listening to the arias as they are performed by Caruso, Pavorotti and other famous tenors (not included in this package). Vesselen Hristov sings these and does a fine job, but he does have a non-italian accent and to me seems to make some of the words sound a bit choppy. 1 of 1 people found the following review helpful. DUH!By hdmcgWHAT ARIAS ARE IN THIS COLLECTION???HOW COULD YOU MISS THE BASIC QUESTION?IF I WANT TO LEARN THESE AND PRACTICE, I WOULD CERTAINLY WANT TO KNOW THE SELECTIONS.

(Music Minus One). Performed by Vesselin Hristov, tenor Accompaniment: Plovdiv Philharmonic Orchestra

Conductor: Nayden Todorov Great Puccini arias for tenor need we say more? Spectacular pieces from these romantic classics, sung by Vesselin Hristov and then given again by the Plovdiv Philharmonic Orchestra minus you, the great tenor! Includes a printed vocal score on high-quality ivory paper, with informative liner notes; and a CD+G graphics-enabled compact disc with complete versions (with soloist) followed by stereo orchestral accompaniments to each piece, minus the soloist.
