The intermediate level is just challenging enough to be fun for this returning-adult player. Considering this is operatic music, I do wish the pieces included lyrics, Since I close the windows to protect the neighbors when I play, I would like to be able to sing along too.

By Timothy Stuart
Music is easy to read. I was able to follow, transpose, and play along with the recorded Puccini operas.

(Misc). This sensational collection contains easy piano arrangements of 25 songs from 8 Puccini operas: La Boheme, La Fanciulla del West, Gianni Schicchi, Madama Butterfly, Manon Lescaut, Suor Angelica, Tosca and Turandot, featuring the beloved "Nessun dorma." Includes plot notes for each opera, information on its premiere, listings of librettists, pronunciation guides, and more.
