5 of 5 people found the following review helpful. great valueBy REBECCA DAYI love word search books and this was no exception. I like the number of puzzles, feeling I get my money's worth. For those of you who like word search, this book's for you! I also like the spiral touch, so you can open the book flat.4 of 4 people found the following

A lot if puzzle books don't have enough words to search for which makes them less fun to meBy ThistleThis one, I believe is spiral bound, too. A lot if puzzle books don't have enough words to search for which makes them less fun to me. This one does. I like it better than the bigger books.
