**Josh Amell : Puzzle Book #1 (100 Sudokus)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Puzzle Book #1 (100 Sudokus):

This book presents 100 sudoku puzzles. The puzzles are divided into easy and medium level and they become more challenging as you proceed through the book. Solutions to all the puzzles are provided at the end of the book. The

extra section contains also a couple of Shikaku and Roundabout puzzles.
