I was looking for some unusual puzzles that were both hard to make and

harder to put together. If you are looking for some interesting puzzles that require accurate set up and cutting then this would be a good book for you. 0 of 0 people found the following review helpful. Entry level for kids By Rodeo Not worth \$9.99. Very simple projects with few parts. 0 of 0 people found the following review helpful. Five Stars By Tibor I have now another piece on my shelf :-) Congratulation to author!
