By LSA I think the fact that my mom cried when I played "We are the Champions" and the more somber part of "Bohemian Rhapsody" proves that these arrangements are amazing :) She wasn't really familiar with Queen's music but became a fan listening to the songs. Phillip has a way that makes every piece full of emotion. He rocks! I think I have 90% of his books. 0 of 0 people found the following review helpful. Great!
