0 of 0 people found the following review helpful. Not for beginnersBy Rebecca HilbertThis was a birthday gift to my sister, who is a veteran puzzle solver, and she loves it! The puzzles are not easy. I worked on a couple of them with my sister and am convinced that the more heads you have at the table, the better. If you love complex puzzles which push you to think, this book is for you.1 of 1 people found the following review helpful.
